

Happy Holidays from the owners of **Destiny Cruises**

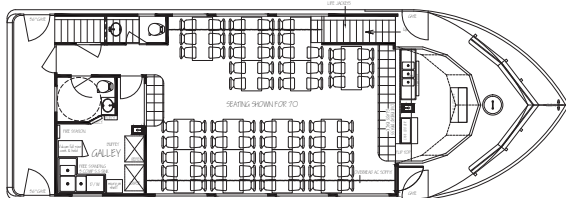

Thank you for your time and interest in Destiny Cruises. We want to provide you with the latest updates on our new venture, as well as an exclusive preview of our wonderful new vessel – named the **North Star**. Over the next few months, you can expect more news to come!

UPPER DECK ARRANGEMENT

MAIN DECK ARRANGEMENT

Its hard to imagine warmer temperatures after the cold we have all been enduring, but soon we will be enjoying summer on Gull Lake with you!

Here's what is in the works.

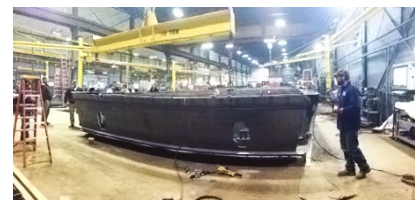

Construction for Destiny's North Star is underway at SkipperLiner Headquarters in La Crosse, Wisconsin – one of the largest passenger vessel manufacturers in the United States. Pending ice-out on Gull Lake, Destiny Cruises will begin sailing mid-May and will be docked at Ernie's on Gull.

We will be offering day and evening cruises open to the public as well as private charters aboard our new \$1.7 million dollar vessel. The floor plan includes two levels with spacious seating designed to accommodate up to 120 passengers. There are two full bars and a top-deck open BBQ – perfect for hosting receptions, weddings, family reunions, office parties and more!

The hull measures in at a magnificent 64 x 22 x 4.5 ft.

Stay tuned for our time-lapse video of the vessel's construction.

Please contact our new General Manager Randy Lee at 1.855.95DESTINY for any additional information or to book a cruise. We have our microsite up at www.destinycruisesllc.com, and our full website is coming soon!

Sincerely,
Jerry Johnson, Liz Diedrich and Reid Porter
