

General Information

- ATTIRE** No swimwear or bare feet are allowed in the dining room. Wear clothing that is comfortable and appropriate for current weather conditions. Casual dress is recommended.
- BOARDING** The North Star yacht will be available for boarding up to 15 minutes prior to the scheduled event time. Destiny Cruises LLC reserves the right to examine any carry-on items including bags/purses.
- PHOTOS** Cameras are welcome aboard the North Star. Photos will also be taken prior to departure and are available for purchase upon request.
- PAYMENT** Cash and all major credit cards are accepted. Please, no checks.
- FOOD & DRINK** Destiny Cruises reserves all catering, refreshment and alcoholic beverage sales, and concessions, whether sold or given away. **NO OUTSIDE FOOD OR BEVERAGES ALLOWED.** Photo ID is required for alcohol service, and Destiny Cruises LLC reserves the right to refuse alcohol to passengers who appear intoxicated.
- TIPPING** This is a personal matter and is up to the individual. Tipping the bar tenders and captain is customary.
- CHILDREN** Children are welcome and encouraged to join any Destiny Cruises event as long as they are accompanied by responsible adults. Our vessel is required by law to have life jackets on board for all children. The life jackets are extremely safe but can be uncomfortable for young passengers, so passengers are welcome to bring their own. Neither state law nor Destiny Cruises LLC requires small children to wear life jackets under normal cruising conditions.
- HANDICAP ACCESSIBILITY** Regretfully, the North Star is not fully "handicap accessible" as determined by state law, but the main deck is wheelchair accessible. Please consult a cruise representative about restrictions and how our staff can accommodate your guests' special needs.
- UNFAVORABLE WEATHER** Destiny Cruises will operate in rain or shine. Should dangerous weather conditions arise, cruises may be cancelled or rescheduled.
- ON-BOARD AMENITIES** The North Star proudly features two full bars, WIFI, three flat-screen TVs, state of the art sound and lighting systems, and a projector with 50 x 90 in. screen.
